**OPTIONS**

PACKAGE ~ as suggested above. An all inclusive arrangement for the consumption of specified beverages within the specified time frame at a pre-determined price. Your package determines the time duration of the function.

CUSTOM PACKAGE ~ Create your own package from our comprehensive wine selection and nominate the time frame for which you wish the service of these beverages to be applied. We can then determine a fixed price for you. Alternatively advise us of your budget and desired timing and we can suggest beverage options available.

ON CONSUMPTION ~ Nominate a limited selection of beverages prior to your function. There are occasions when beverages by consumption are not applicable and a package needs to be chosen – please enquire with our staff. Minimum spend may apply.

INITIAL BEVERAGE PACKAGE ~ This tailor made option may include 1 x bottle of white wine, 1 x bottle of red wine, 1 x jug of beer and 1 x jug of soft drink on each table upon your guests arrival. All other beverages can then be charged on a consumption basis, and where necessary to your pre-determined value OR guests can purchase their drinks with a cash payment directly at the bar. Please note a surcharge or minimum spend may apply for limited packages - dependant on the time duration of your event. Cash and carry service is not available.
